Would you feel safe attending a collaborative meeting in a conference room with 10 or more people?

- A. Yes, it's business as usual**
- B. Yes, if everyone was six feet apart wearing masks and the room was sanitized**
- C. No, not at this time, even with safety measures in place, but some day**
- D. I question if we even need the physical conference room anymore**

Is your company addressing emotional/mental wellness any differently today than pre-COVID-19?
(Select All that Apply)

- A. Yes, we instituted new programs**
- B. Yes, we have the same programs but are communicating them more**
- C. Yes, we have skilled our managers to address or check-in on emotional/mental wellness**
- D. No, we have not changed course on this**
- E. We are pulling back on some of our resources**
